

## **Route 40 (Martin Luther King Highway) Bridge Replacement over Otterdam Swamp**

### **Surry County**

**Find out** about the proposed plans to replace the bridge and approach roadway on Route 40 (Martin Luther King Highway) over Otterdam Swamp in Surry County. The Virginia Department of Transportation (VDOT) has designated the existing bridge, built in 1954, in need of replacement. The proposed bridge replacement project is located on Route 40 (Martin Luther King Highway) from 0.196 miles west of Route 601 (Hickory Hill Road) to 0.006 miles west of Route 601 (Hickory Hill Road) and approximately 7.7 miles southwest of the intersection with Route 10. The project will involve staged construction with reduced traffic capacity in order to maintain vehicle access throughout the project.

**Review** project information and the National Environmental Policy Act document in the form of a Programmatic Categorical Exclusion (PCE) in person at VDOT's Hampton Roads District Office located at 7511 Burbage Drive, Suffolk, VA 23435, 757-956-3266, TTY/TDD 711. Due to current visitor guidelines, please call ahead to make an appointment with appropriate personnel to review documents and/or answer your questions.

If your concerns cannot be satisfied, VDOT is willing to hold a public hearing. You may request that a public hearing be held by sending a written request to Mrs. Nancy Marshall, Virginia Department of Transportation, 7511 Burbage Drive, Suffolk, VA 23435 on or prior to **March 15, 2021**. If a request for a public hearing is received, notice of date, time and place of the hearing will be posted.

VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information in regards to your civil rights on this project or need special assistance for persons with disabilities or limited English proficiency, contact Project Manager Mrs. Nancy Marshall at the phone number listed above.
